Entrance

Approached over a crazy paved driveway to an open pitched timber and tiled canopy porch and composite front door leading into the

Reception Hall

With a radiator and a window to the side, stairs rise to the first floor. There is a smoke alarm and a panelled door leading to a useful under-stairs storage cupboard that contains the electric meter and electric isolation unit. Another panelled door leads through to the

Dining Room

With a front window, radiator, central ceiling light, and wood laminate floor, there is an archway leading to the

Living Room

Sliding patio doors overlook the rear garden, featuring a central ceiling light, radiator, blocked serving hatch to the kitchen, and wood laminate flooring.

Converted Single Garage

Fully lined and insulated, with granted building regulations and planning permission. It features a window and door, wood laminate flooring, and a ceiling strip light.

Fitted Kitchen

The kitchen boasts a set of matching beech-fronted base and wall units, complemented by marble-effect work surfaces with rounded edges. It features a stainless steel sink with a single drainer and a chrome mixer tap, as well as a four-ring Logic induction hob. There is also plumbing and space available for a washing machine, along with room for a large upright fridge freezer. The area is well-lit with a ceiling light and includes a radiator, an original tiled floor, and a double-glazed window and door that provide access to the rear garden.

First Floor Landing

With a central ceiling light, access to an insulated loft space, and a double-glazed window to the side, there is also a smoke alarm and a panelled door leading through to
