Church Street, Leamington Spa, CV31 1ER

An excellent opportunity for a buy-to-let purchaser to acquire a ready-to-let one-bedroom apartment in the heart of Leamington Spa, within the town's highly regarded Conservation Area. Offered with no onward chain, the property is available for immediate consideration and has the necessary safety certificates already in place.

The apartment is anticipated to achieve rental income of approximately £800 per calendar month (£9,600 per annum). With an annual building management charge of approximately £2,300, this equates to around £7,300 per annum net of the management charge, before mortgage, taxation and other landlord costs.

Set within a converted Georgian townhouse, the apartment combines period character with practical modern accommodation, comprising a light-filled living area with fitted kitchen and a spacious double bedroom.

Its central location places shops, cafés, restaurants and parks within easy walking distance, while Leamington Spa railway station and excellent transport links are also close by — supporting the property's appeal to the rental market.
